

## Unlock Academic Success with IRISPen Air 8 Smart Pen Scanner

Embark on a journey towards academic excellence with our IRISPen Air 8 - your ultimate tool for success!

**Scan Anywhere, Learn Everywhere:** Lightweight and uniquely designed, the IRISPen Air 8 ensures learning knows no bounds. Scan effortlessly on the go and revolutionize the way knowledge is acquired.

**Assistive Technology:** Empower your child's learning by saying goodbye to exam anxiety! Scan questions and provide immediate reading assistance for your child. The IRIS software suite makes scanning quick and seamless, enhancing their learning experience.

**Dyslexia Learning Aid Technology:** Our technology isn't just about scanning; it's a life-line for dyslexic individuals and int. Read aloud, highlight text, and offer crucial reading assistance. This scanner doubles as a Dyslexic Learning Aid, fostering inclusive education.

**Intuitive Innovation:** A vibrant colour screen with easy-to-select icons makes navigation a breeze. Scan, save, edit, and transform text - speak it, translate it, and even perform photo translations into supported languages in real time.

**Adaptable for Any Situation:** Beyond academics, this versatile tool extends its prowess to business, live recordings for meetings or courses, logistics, and myriad life situations. It's the ultimate multi-functional solution.

**Compatible with: Windows, Mac, iOS, and Android,** this scanner adapts to your tech ecosystem. Expand storage capacity with an external SD-card (not included) for enhanced data storage.

From academic support to professional endeavours and everyday life, the DYS Children's Helper Scanner Pen is your go-to companion. Empower learning, enhance communication, and transcend barriers with a tool that's as versatile as it is impactful. Elevate every learning experience and embrace success, one scan at a time.
